Independent Auditor's Limited Review Report on Quarterly Standalone Unaudited Financial Results of UFLEX LIMITED, Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

To,
The Board of Directors,
UFLEX LIMITED

We have reviewed the accompanying statement of Standalone unaudited financial results of UFLEX LIMITED ("the Company"), for the quarter ended June 30, 2020 (the "Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulation").

The preparation of the Statement in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 (Ind AS 34) on "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013, as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, in compliance with Listing Regulation, is the responsibility of the Company's Management and has been approved by the Board of Directors of the Company. Our responsibility is to issue a report on the Statement based on our review.

We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulation, including the manner in which it is to be disclosed, or that it contains any material misstatement.

- The outbreak of coronavirus disease 2019 (COVID-19) has created an unprecedented global health crisis that has a deep impact on the businesses and economy. Uflex operates in multiple countries across the globe both in terms of its manufacturing operations and the markets for its products and all these countries had imposed lockdowns of varying types aimed at containing the spread of the virus. Given that Uflex business is manufacturing of Flexible Packaging Films and Flexible Packaging, which is predominantly used in food and Pharma packaging, all out efforts were being made by all countries to ensure the adequate supply of food and medicines to the public, which was made possible only due to seamless continued operations of packaging industry. While Uflex did face initial administrative and supply chain challenges in some countries during initial lockdown period but there was no impact on its overall production and sales volumes during the quarter. While Uflex believes that its business will continue to remain unscathed by the pandemic as it continues to witness higher demand for its products globally so far in FY 2021, there could be uncertainties in the future due to underlying developments w.r.t COVID 19, which are difficult to predict.
