Falciani said money was not the driving force for sharing classified data on black money and other suspect accounts.

"It is not about money. I don't intend to become rich," Falciani said when asked whether he is looking for money to share information with India.

He, however, did not give a clear answer on whether he has any more information on Indians who have stashed illicit funds abroad.

He stressed governments across the globe should ensure that whistleblowers are protected. "We need just simple protection," he added.

"We are not protected... If I am coming to India, I will be arrested," he said, adding that people need to understand that there are not many new ways to probe and combat the

menace of black money. He has been refusing to attend proceedings against him in Switzerland as well.

Earlier this year, he had hinted that he possessed additional information on the lines of the list of 628 Indian entities holding accounts with the bank in Geneva.

The Finance Ministry in February this year had said the IT department was already in touch with Falciani, "who apparently brought out the names of persons holding undisclosed bank accounts in HSHC, Switzerland."

"He has been requested to share information available with him in respect of undisclosed bank accounts of Indians in HSHC, Switzerland, and other destinations. His response is awaited," it had said. PTI

half of the target of ₹69,500 crore) and an anticipated shortfall in tax collections of about ₹50,000 crore making it difficult to achieve the FY16 fiscal deficit goal of 3.9% of GDP; the government may not be able to pay more cash subsidy in the current fiscal year in supplementary demand for grants, the sources said.

Officials expect the pay commission award (report to be ready by end-December) and OROP alone to bloat the Centre's salary and pension bill by ₹50,000-₹70,000 crore next year. In FY16, the Centre has budgeted ₹72,968 crore for fertiliser subsidy, 75% of which have already been disbursed to the manufacturers and importers. This included part of the subsidy carried forward from FY15.

Though official view is veering towards saying that it would be difficult for the Centre to give additional cash subsidy or SBA, a final decision on the request of the fertiliser department would be taken by the finance ministry in the next two-three weeks, sources said.

Fertiliser subsidy accounts for 32% of the Centre's FY16 major subsidies (on account of food, fertiliser and fuel) estimate of ₹3.27 lakh crore. While the Centre has projected fuel subsidy to have to about ₹30,000 crore in FY16 due to decontrol of diesel and direct cash benefit transfer for LPG, it is yet to find a suitable model for giving direct benefit to farmers as being demanded by the fertiliser companies.

Joint secretary in department of economic affairs transferred

Former private secretary to the President Pradeep Gupta is among the four new joint secretaries appointed in

home ministry as part of mid-level bureaucratic reshuffle effected by the government. Besides them, Department of

Economic Affairs joint secretary Manoj Joshi has been shifted to the MSME ministry in the same position. PTI
