Mahatma Award recognizes and celebrates impact leaders and change makers across the globe who are making a social impact and leading the way to a sustainable future. Mahatma Award has honored most accomplished social and community initiatives within the private and public sector. Mahatma Award honors individuals and organizations that leverage their resources, expertise, and talent to make a positive impact for a larger good and to make this world a better place.

The Mahatma Award exists to put a spotlight on the most remarkable change makers of our time, who are addressing incredibly complex and equally severe problems we face today in our society. Their efforts span global poverty and hunger, disease, education, climate change, disaster response and preparedness, health care accessibility and much more..

Mahatma Award is instituted by social entrepreneur and philanthropist Amit Sachdeva as his tribute to Mahatma Gandhi ji to spread his message of selfless services and love across the world. Amit Sachdeva, who is today known as the 'CSR man of India' for his efforts and advocacy for the Corporate Social Responsibility (CSR) Bill in India.
