BSNL rolls out VRS, expects 70k-80k staff to avail it

PRESS TRUST OF INDIA New Delhi. November 6

WITHIN DAYS OF government approving a relief package for the ailing corporation, stateowned BSNL has rolled out a voluntary retirement scheme for its employees, and said it expects 70,000-80,000 personnel to opt for it leading to savings of about ₹7,000 crore in wage bill.

BSNL chairman and managing director P K Purwar told PTI that the scheme would be open between November 4 and December 3, and that instructions have already been given to field units to inform employees about the VRS offering.

In all, nearly one lakh BSNL employees are eligible for the VRS of its total staff strength of 1.50 lakh.

"This is the best VRS given by the government and BSNL employees should see it in a positive frame of mind," Purwar said.

He said the corporation 70,000-80,000 expects employees to opt for the scheme, and added that saving in wage bill is expected to be about ₹7,000 crore with those numbers.

The Union Cabinet has approved the plan to combine MTNL — which provides services in Mumbai and New Delhi — with Bharat Sanchar Nigam Ltd (BSNL) that services the rest of the nation.

The rescue package approved includes infusion of ₹20,140 crore for the purchase of 4G spectrum, ₹3,674 crore for the goods and services tax (GST) to be paid on spectrum allocation, companies raising ₹15,000 crore in debt on the sovereign guarantee and government funding ₹17,160 crore for VRS and another ₹12,768 crore towards retirement liability.

The proceeds of the sovereign bonds issue will be to restructure debt and meet other expenses. The bond will have to be serviced by the PSUs only. The two firms will also monetise assets worth ₹37,500 crore in the next three years.

MTNL has reported losses in nine of the past 10 years and BSNL, too, has been ringing in loss since 2010. The total debt on both the companies stood at ₹40,000 crore, of which half of the liability is on MTNL
